

“The Rising Star Healing System is the purest Love and Light the planet has ever experienced. It’s an extraordinarily powerful system and even its name is powerful...the resonation of a *star*. This Rising Star Healing System will bring you to the start of the journey to the heart. The heart really does sing you know; when just the basics of desires are delivered; love, nourishment and security. Be sure to listen when God speaks. He will sing your heart back to himself and the Rising Star will do no less. The heart is where it’s all happening, where it all emanates from. You can be healed and this system will heal you, all you have to do is show up for your life.”
